

Supplementary material 2 : UNU/SCN NCDNCEE / CAPNUTRA meetings, workshops, education & training, dissemination 2005 – 2018

UNU/SCN NCDNCEE – CAPNUTRA meetings			
No.	Name /Date / Location	Participants / Countries	Capacity Development (CD) activities /objectives/topics
1.	Kick-off meeting for a CD initiative in nutrition in Eastern and Central Europe (CEE) 19 May 2005 FAO-SEUR office, Budapest, Hungary	8 participants from 8 countries (Serbia and Montenegro, Bulgaria, Egypt, Norway, The Netherlands, USA and FAO, Sub-regional office for Central and Eastern Europe (SEUR))	<ul style="list-style-type: none"> • discuss experiences in recent years with CD initiatives initiated by UNU and IUNS in various regions • identify best practices and make use of such to plan a CD initiative in CEE • make the necessary arrangements for a follow up meeting later in 2005 and agree on preparatory activities to be done
Presentations: <ul style="list-style-type: none"> • Azza Gohar: <i>Nutrition CD in Middle East & North Africa region</i> • Fre Pepping: <i>African CD initiative; Socrates Intensive programme Food & health</i> • Mirjana Gurinović: <i>Nutrition and physical activity of the population in Serbia</i> • Stefka Petrova: <i>Current nutrition problems in Bulgaria capacity gaps</i> • Antoinette Kaic-Rak: <i>Nutrition and health in the CEE countries</i> 			
2.	1st Inauguration meeting of the Network for CD in Nutrition in CEE – NCDNCEE 13-14 February 2006, FAO SEUR Office, Budapest, Hungary	16 participants from 10 countries (Bosnia and Herzegovina, Bulgaria, Czech Republic, FYR Macedonia, Hungary, Norway, The Netherlands, Romania, Serbia and Montenegro and Slovakia) and FAO SEUR	<ul style="list-style-type: none"> • formally initiate the Network on CD for the CEE countries within the CD initiatives of SCN, UNU and other European research and training institution • present and discuss the profile of challenges identified by participants • identify follow-up activities in order to facilitate the initiatives of the Network in the field of CD in the CEE • identify strategic elements to meet the CD plans of institutions and individuals in the region • prepare a presentation of needs and strategies to be presented at the 33rd session of SCN in Geneva, 2006
Presentations: <ul style="list-style-type: none"> • Arne Oshaug: <i>Introduction of participants, agenda, and background material</i> Fre Pepping: <i>Objectives of the meeting, and why UNU has initiatives on capacity development</i> • Mirjana Gurinović and participants from CEE Region: <ul style="list-style-type: none"> -<i>Current situation in Central Europe/Eastern Europe, Plenary discussion of country profiles – towards a common list of challenges</i> -<i>Presentations of action plans and preparing proposals for activities in 2006/2007</i> -<i>Winding up session and adoption of working plan for 2006</i> -<i>The report to the next SCN is expected (13 – 17 March 2006 in Geneva)</i> 			
3.	2nd Meeting of the Network for CD in nutrition in CEE - NCDNCEE 16 -17 November 2006, FAO-SEUR office, Budapest, Hungary	18 participants from 11 countries (Albania, Bosnia and Herzegovina, Bulgaria, Czech Republic, FYR Macedonia, Hungary, The Netherlands, Norway, Romania, Serbia and Slovakia) and FAO SEUR	<ul style="list-style-type: none"> • EuroFIR (FP6)-European Food Information Resource Network (NoE) FP6 (2006-2010) • EURRECCA (FP6) - Harmonising nutrient recommendations across Europe with special focus on vulnerable groups and consumer understanding (NoE) FP6 (2007-2012) • Adequate food as a human right • E-learning • WHO Child Growth Standards • Demonstration of the tools on the Internet
Presentations:			

<ul style="list-style-type: none"> • Mirjana Gurinović: <i>Report and outcome of the work since the first inaugural meeting</i> • Mirjana Gurinović, <i>General information on generating resources through EC-project participation (examples EuroFIR, EURRECA, DIETS)</i> • Mirjana Gurinović: <i>EuroFIR course in Bratislava and feedback on questionnaire about training needs in CEE</i> • Arne Oshaug: <i>The human right to adequate food (RtF) – content, challenges and importance for inputs to policy developments by public health nutritionists/personnel</i> • Monica Blössner: <i>WHO's new Child Growth Reference Standard, by WHO Multicentre Growth Reference Study</i> • Mirjana Gurinović: <i>Food composition databases and the need for CD initiatives in the field (EuroFIR)</i> • Michal Demes: <i>Knowledge and information exchange in CEE</i> • Mirjana Gurinović and Anne de Looy: <i>Benchmarking dietetics in Europe (DIETS)</i> 		
4.	3rd UNU/SCN Network meeting for CD in Nutrition in CEE 1-2 November 2007, Belgrade, Serbia	<p>20 participants from 10 countries (Albania, Bosnia and Herzegovina, Bulgaria, FYR Macedonia, Romania, Serbia, Slovakia, Belgium, the Netherlands, Norway), UNU-FNP, SCN, EURRECA, WHO and FAO REU.</p> <ul style="list-style-type: none"> • to review the progress made since February 2006 • to discuss specific disciplinary topics as requested by the participants at the 2006 meeting of the Network, including the 2nd WHO European Action Plan for Food and Nutrition Policy, 2007-2012, • to discuss NCDNCEE contribution to European Micronutrient Recommendations Aligned (EURRECA). • to discuss a SOCRATES application to EC and select follow up activities for the next year (2008)
Presentations: <ul style="list-style-type: none"> • Mirjana Gurinović: <i>Report and outcome of the work since the 2nd meeting</i> • Dorit Nitzan: <i>Second WHO European Action Plan for Food and Nutrition Policy</i> • Vesna Prsic: <i>Information about the Socrates project proposals to start under the responsibility of the Network/respective network partners during second half of 2008/2009</i> • Loek Pijls, Mirjana Gurinović: <i>EURRECA Network of Excellence and capacity building in CEE, Discussion on the draft programme for EURRECA edition of Nutlife course for CEE countries, participants from VLAG course from CEE</i> • Mirjana Gurinović: <i>CD in CEE through the EuroFIR and CEE networks</i> • Michal Demes: <i>The Network portal and its functions</i> 		
5.	4th Meeting of the UNU/SCN Network meeting for CD in Nutrition in CEE – NCDNCEE 10-12 November 2008, Belgrade, Serbia	<p>31 participants from 15 countries (Bosnia and Herzegovina, Bulgaria, FYR Macedonia, Serbia, Slovakia, Poland, Croatia, Moldova, Hungary, Czech Republic, the Netherlands and Norway, Sweden, Spain, Slovenia)</p> <ul style="list-style-type: none"> • NCDNCEE and EURRECA training workshop about grey literature • how to develop an EC project in nutrition? • academic training in nutrition in CEE countries • application of EURRECA web tools in nutrition education • revision of the Work plan 2008/2009
Presentations: <ul style="list-style-type: none"> • Mirjana Gurinović: <i>Report and outcome of the work since the last meeting. Chair of the Network</i> • Arne Oshaug: <i>Reporting to the annual session of SCN</i> <p>CD:NCDNCEE and EURRECA training workshop about Grey literature: Sources, Eurreca relevance, value and data analyses of information in grey literature for RA2 EURRECA:</p> <ul style="list-style-type: none"> • Mirjana Gurinović: <i>Eurreca project</i> • Vesna Vucic: <i>RA 1.1.Intake methods in low income population</i> • Danijela Ristic Medic: <i>RA 1.2. Status, Iodine systematic review</i> • Adrienne Cavelaars: <i>Results from RA 1.3& RA1.4 & RA 2 Population group activities in Eurreca</i> • Primož Južnič: <i>Grey literature in research</i> • Joy Ngo de la Cruz: <i>Data collection and analyses of grey literature relevant for immigrants (EURRECA RA 2.7 activity)</i> • Romana Novakovic: <i>Grey literature sources relevant to Eurreca objectives and use of grey literature by nutritional researchers in CEE</i> • Mirjana Gurinović: <i>Example 1: JUSAD study, Serbia</i> • Ewa Halicka: <i>Example 2: Low income study in Belgium and Poland</i> • Jasna Tepsic: <i>Example 3: UK low income study</i> 		

- Agnes Kadvan: *Eurreca CEE Grey literature data base: Introduction and use in Eurreca RA activities*

CD: How to develop an EC project in nutrition:

- Agneta Yngve: *The developments within the European Network for Public Health Nutrition and especially the PHETICE JOBNUt projects*
- Fré Pepping: *Summary and discussion of “The 10 default principles of capacity development”¹ – based on country assessment*
- Agneta Yngve: *Funding frameworks for educational programmes in the EU – the examples JOBNUt and DG SANCO funding*
- Vesna Prsic, Fré Pepping: *Demands from EC on applications – techniques of writing applications in an “easy” way*
- Mirjana Gurinović: *CD in nutrition education based on identified needs in CEE – a summary of the NCDNCEE framework*
- Arne Oshaug: *Principles for approaches to building an academic learning programme in nutrition*
- Diana Ivanova: *Bulgaria-CD potential*
- Eleonora Dupouy: *Project application for Tempus – Modernizing Nutrition and Dietetics Higher Education in Moldova and Ukraine*
- Arne Oshaug: *Approaches towards a future academic training in nutrition in the CEE – concrete proposal for next year’s CD*
- Romana Novakovic: *Presentation of the e-learning module. Intake methods-work from Wageningen University, EURRECA team*
- Maria Glibetic, Agnes Kadvan: *Dietary software tool for implementing micronutrient recommendation, Web application of Nutrient Recommendations – Eurreca tool*
- Maria Ranic: *NCDN-CEE Website maintenance, development and status*
- Fre Pepping, Arne Oshaug: *The future of the Network*

<p>6. 5th Meeting of the UNU/SCN Network for CD in Nutrition in Central and Eastern Europe</p> <p>11-12 November 2009, Belgrade, Serbia</p>	<p>32 participants from 15 countries (Bosnia and Herzegovina, FYR Macedonia, Serbia, Republic of Slovakia, Poland, Croatia, Hungary, Czech Republic, Estonia, Lithuania, UK, the Netherlands, Norway, Italy, Belgium) and FAO.</p>	<ul style="list-style-type: none"> • the BaseFOOD FP7 project: Sustainable exploitation of bioactive components from the Black Sea Area traditional foods • linking CD activities between the CEE network and Eurreca – the challenge of sustainability • EuroFir AISBL: An international food information provider • international standards and coherence in dietary assessments, food composition and nutrient requirements • update on recent development of Literature Search and data presentations from CEE countries • web-based computerized software design tool aimed for nutritional adequacy data collection, extraction and nutritional assessment <p>Nutrition Education in CEE – Situation, needs and challenges</p>
---	--	--

Presentations:

- Mirjana Gurinovic: *Report and outcome of the work since the last meeting*
- Arne Oshaug: *Reporting on the coming SCN meeting in Brussels*
- Rhonda Smith, Mirjana Gurinovic: *Linking CD activities between the CEE network and EURRECA – the challenge of sustainability*
- Filippo D’Antuono: *EC projects relevant to CEE Network: BaSeFOOD FP7 project: Sustainable exploitation of bioactive components from the Black Sea Area traditional foods*
- Simone Bell, Paul Finglas: *EuroFIR AISBL: An international food information provider*
- Barbara Burlingame: *International standards and coherence in dietary assessments, food composition and nutrient requirements*
- Romana Novakovic, Mirjana Gurinovic, Danijela Ristic-Medic: *Nutrient adequacy assessment in EURRECA, Update on recent development of Literature Search and data presentations from CEE countries*
- Agnes Kadvan and Romana Novakovic: *Web-based computerized software design tool aimed for nutritional adequacy data collection, extraction and nutritional assessment*
- Arne Oshaug, Mirjana Gurinovic: *Nutrition Education in CEE – Situation, needs and challenges*
- Rhonda Smith: *Capacity developments in communication and education of the public*
- Annet Roodenburg: *Introduction of new initiatives and EC projects relevant to CEE Network. The Choices programme: A simple front-of-pack stamp, making the healthier choices easy*
- Dragana Tar: *FOCUS BALKANS - Food Consumers Science, FP7*
- Maria Glibetic, Mirjana Gurinovic: *Introduction to and application of web tools in nutrition education in CD in CEE*
- Maria Ranic: *NCDN-CEE Website maintenance, development and status, Web promotion and dissemination in CEE region*

<ul style="list-style-type: none"> • Agnes Kadvan, Jasmina Debeljak-Martacic, Marija Djekic-Ivankovic: <i>Application of innovative web tool for the creation of regional Food Composition Data Base (FCDB)</i> • Romana Novakovic, Agnes Kadvan: <i>Nutri-RecQuest software</i> • Maria Glibetic, Agnes Kadvan, Mirjana Gurinovic: <i>EURRECA Nutritional planning and dietary assessment Software</i> • Pieter van't Veer: <i>Nutrition Education-Capacity developments EURRECA –sustainability</i> • Arne Oshaug: <i>Summing up of the experiences and the results of the meeting</i> • Mirjana Gurinovic: <i>Planning of future activities and ideas for steps forward</i> 		
7.	<p>6th Meeting of the UNU/SCN Network for CD in Nutrition in CEE - NCDNCEE</p> <p>25th-26th May, 2011, Belgrade, Serbia</p>	<p>32 participants from 14 countries (Albania, Bosnia and Herzegovina, Bulgaria, Moldova, FYR Macedonia, Slovenia, Montenegro, Serbia, Poland, Croatia, Hungary, Estonia, Norway, the Netherlands) and FAO REU</p> <ul style="list-style-type: none"> • assessment of CD activities • micronutrient recommendations and adequacy assessment through Network activities 2007-2011 • assessment of CD within Nutrition education and Network activities in 2006-2011 • introduction of FAO Regional Food and Nutrition meeting with participation of UNU/SCN NCDNCEE • Food Composition Data Base (FCDB) Development through NCDNCEE activities 2006-2011 and future activities: partnership with EuroFIRNoE&EuroFIR AISBL
<p>Presentations:</p> <ul style="list-style-type: none"> • Mirjana Gurinovic, Maria Glibetic, Arne Oshaug, Fre Pepping: <i>Presentation of the NCDNCEE main results and achievement from 2006- 2011</i> • Participants: Igor Spiroski (FYR Macedonia), Aida Hadziomeragic (Bosnia and Hercegovina), Zvonimir Satalic (Croatia), Tagli Pitsi (Estonia), Mojca Korošec (Slovenia): <i>Presentation of CD activities in countries where collaboration with NCDNCEE</i> • Mirjana Gurinovic, Romana Novakovic, Maria Glibetic: <i>How was NCDNCEE –EURRECA NoE cooperation? The results of EURRECA and Network activities</i> • Agnes Kadvan, Mirjana Gurinovic: <i>EURRECA “Nutri-RecQuest” web-based tool on current micronutrient recommendations</i> • Romana Novakovic, Danijela Ristic Medic, Marina Nikolic, Mirjana Gurinovic: <i>Micronutrients intake/status adequacy assessment in CEE countries</i> • Arne Oshaug, Mirjana Gurinovic: <i>Assessment of CD within Nutrition education and Network activities in 2006-2011</i> • Zvonimir Satalic, Romana Novakovic, Marina Nikolic, Mirjana Gurinovic, Arne Oshaug: <i>Identified new training and nutrition education needs of the CEE area. Comparing with the Networks framework</i> • Eleonora Dupouy: <i>Improving nutrition: what approaches and priorities for an effective intersectoral action?</i> • Maria Ranic, Michal Demes: <i>Internet-based communication support for UNU/SCN Network for CD in Nutrition (and other Thematic Knowledge Networks)</i> • Arne Oshaug, Maria Glibetic, Mirjana Gurinovic: <i>Initiative to publish monograph of Network activities</i> • Maria Glibetic: <i>Introduction and the role of Centre of Research Excellence in Nutrition, IMR in future CD activities</i> • Paul Finglas: <i>Key results from EuroFIR NoE and introduction of EuroFIR AISBL</i> • Mirjana Gurinovic, Maria Glibetic: <i>What did NCDNCEE achievements in FCDB activities in collaboration with EuroFIR NoE (2006-2011),</i> • Participants: Mojca Korošec (Slovenia); Igor Spiroski (FYR Macedonia), Aida Hadziomeragic (Bosnia and Hercegovina), Zvonimir Satalic (Croatia), Olga Gutium (Moldova), Ivana Joksimovic (Montenegro), Eralda Mariani (Albania), Desyslava Gyirova (Bulgaria), Camelia Parvan (Romania), Marija Djekic Ivankovic (Serbia): <i>Country presentations: FCDB situation and achievements.</i> • Paul Finglas: <i>EuroFIR- Nexus project presentation</i> • Maria Glibetic, Mirjana Gurinovic, Paul Finglas: <i>Development of Regional Food Composition Data Base of Balkan Food platform with EuroFIR-Nexus & NCDNCEE</i> • Agnes Kadvan, Marija Djekic-Ivankovic: <i>Workshop: Regional Food Composition Data Base: Web based Food Comp Data Management (FCDM) software application in BalkanFood Platform development</i> • Paul Finglas: <i>Presentation Memorandum of Understanding (MoUs): principles and commitments to deliver food composition data to the Balkan Food Platform</i> • Mirjana Gurinovic, Maria Glibetic, Arne Oshaug, Paul Finglas: <i>Conclusions and agreement on future FCDB activities</i> 		
8.	<p>First Symposium; CD in Nutrition and Food Research in Central and Eastern Europe (CAPNUTRA): Balkan Food Platform - Regional Food Composition Data Base development</p> <p>21-23 January 2013, Belgrade, Serbia</p>	<p>32 participants from 13 countries (Serbia, Croatia, FYR Macedonia, Moldova, Montenegro, Slovenia, Cyprus, Russia, Ukraine, Bosnia and Herzegovina, UK, Norway</p> <ul style="list-style-type: none"> • FCDB training and CD activity needs • regional Food Composition Data Base workshop. The overview of tools for Food and Nutritional research • web based Food Comp Data Management (FCDM) software development of BalkanFood Platform • NCDNCEE sustainability plans: Introduction of the CD Network in Nutrition in Central and Eastern Europe, (CAPNUTRA)

Presentations:

- Paul Finglas . EuroFIR AISBL - Nexus project achievements and future
- Mirjana Gurinović, Maria Glibetić . Development of Regional Food Composition Data Base (FCDB) of Balkan Food platform with EuroFIR-Nexus & NCDNCEE
- Arne Oshaug . The presentation of NCDNCEE activities in the past and the future
- Country presentations: Zvonimir Satalić, Irena Colić Barić (Croatia), Stelios Yiannopoulos (Cyprus), Aida Vilić Svraka (Bosnia and Herzegovina), Igor Spiroski (FYR Macedonia), Lidia Cosciug, Viorica Bulgaru (Moldova), Ivana Joksimović (Montenegro), Olga A. Legonkova, Tatyana G.Dolgova (Russia), Jelena Milešević (Serbia), Mojca Korošec (Slovenia), Nadiya Boyko (Ukraine): *Short country presentations: FCDB training and CD activity needs*
- Jelena Milešević: *Identification of regional training needs and future priorities in food and nutrition research – summary presentation by IMR*
- Paul Finglas: *Nexus deliverable 4.6. Final report on Balkan Food Platform and recommendations for future integration of WBC/EECA countries*
- Paul Finglas, Mirjana Gurinović, Maria Glibetić: *EuroFIR nexus -Presentation and Memorandum of Understanding (MoUs): principles and commitments to deliver food composition data to the Balkan Food Platform*
- Mirjana Gurinović, Maria Glibetić: *The overview of tools for Food and Nutritional research IMR compiler team. Web based Food Comp Data Management (FCDM) software application in development of Balkan Food Platform- Regional Food Composition Data Base, update with recipes*
- Mirjana Gurinovic: *Development of Regional Food Composition Data Base (FCDB) of BalkanFood platform with EuroFIR-Nexus & NCDNCEE*
- IMR compiler team: *Serbian FCDB presentation with recipes*
- Agnes Kadvan, Jelena Milešević: *Recipe input in Regional FCDB and link with DIET-ASSESS Software (collection of traditional recipes from workshop participants, input of composite dishes ingredients into software, reporting for recipe nutrient content and input of recipes nutrient content ingredients into Regional Food composition data base)*
- Mirjana Gurinovic: *Nexus deliverable 4.6. Final report on Balkan Food Platform and recommendations for future integration of WBC/EECA countries (deliverable structure, contributions, timeline)*
- Mirjana Gurinovic: *EuroFIR nexus -Presentation and Memorandum of Understanding (MoUs) principles and commitments to deliver food composition data to the Balkan Food Platform*
- Maria Glibetić: *Introduction of the CN etwork in Nutrition in Central and Eastern Europe, (CAPNUTRA); objectives, structure, members and activities*
- Maria Glibetić: *EuroFIR AISBL and EC projects collaboration*
- Zvonimir Šatalić: *Bilateral collaboration: Croatia / Serbia*
- Pedja Cerović : *Involvement of individual SME, clusters and Chamber of Commerce, Role and function of cluster organizations – Herbal PharmaNet Cluster in Serbia*
- Rašić Zorica: *Cost action examples*

9.	<i>CAPNUTRA Symposium-CD in dietary intake survey harmonisation with EU Menu methodology regional training for DIET ASSESS & PLAN (DAP) application and implementation in west Balkan countries (WBC)</i> 11-12th September 2017, Belgrade, Serbia	23 participants from 5 countries (Bosnia and Herzegovina, Montenegro, FYR Macedonia, Italy, Serbia).	<ul style="list-style-type: none"> • CD in dietary intake survey - harmonisation with EU menu methodology • regional training for Diet Assess & Plan (DAP) application and implementation in West Balkan countries (WBC)
----	---	--	--

Presentations:

- Mirjana Gurinović, Marija Glibetić: *CD in food, nutrition and public health research in central and eastern Europe/Balkan countries - 10 years achievements*
 - Ioannidou Sofia: *EFSA EU Menu project - Dietary survey methodology*
 - Jelena Milešević: *The importance of use of national Food composition data bases in country specific consumption surveys*
 - Ioannidou Sofia: *EFSA, Use of food consumption data for risk assessments Participation in testing of the latest version of food atlas - portion sizes assessment of served meals using Serbian food atlas – validation study*
 - Eleonora Dupouy, Mirjana Gurinović: *FAO REU, FAO support to leverage the potential of sustainable food systems for healthy diets and improved nutrition in Europe and Central Asia region*
 - Aida Turrini: *Italian dietary survey – Recruitment strategy and model of survey sustainability - Experience from CREA*
 - Lorenza Mistura: *CREA Data collection, food coding and preparation of data scheme - Experience from CREA*
- Regional training for Diet Assess & Plan (DAP) application and implementation in WBC:**

- Milica Zeković, Marina Nikolić, Jelena Milešević: *Methodology for the pilot study: introduction and presentation of questionnaires*
 - Ioannidou Sofia: *EFSA Introduction to latest version of FoodEx2 coding system*
- Workshop on proper techniques on conducting face-to-face interviews according to survey plan:**
- Agnes Kadvan: *Introduction to Diet Assess and Plan web application*
- Workshop on using web platform – data entry
-Workshop on FoodEx2 coding – adding new foods to FCD
- Ioannidou Sofia, EFSA Data transfer schema

10	<p>Symposium on sustainable food systems for healthy diets in countries of Central and South Eastern Europe (CSEE) with integrated training on food consumption data collection and strengthening the thematic regional networking</p> <p>15-17 October 2018, Belgrade, Serbia</p>	<p>42 participants from 23 countries (Slovenia, Romania, Serbia, Lithuania, Estonia, Poland, Latvia, FYR Macedonia, Republic of Moldova, Montenegro, Bosnia and Herzegovina, Hungary, Albania, Bulgaria, UK, Italy, Belgium, Denmark, the Netherlands, Russian Federation, Kazakhstan Iran, Kuwait), EFSA and specialized United Nations agencies, FAO and UNICEF</p>	<ul style="list-style-type: none"> • awareness raising on sustainable food system approach for improving diets and nutrition along the lines and key messages of the FAO/WHO Regional Symposium on Sustainable Food Systems for Healthy Diets in Europe and Central Asia held on 4-5 December 2017 in Budapest with highlights related to four thematic areas: (i) Nutrition-sensitive agriculture and food systems; (ii) Food environment; (iii) Improving nutrition of vulnerable groups; (iv) Governance, leadership and accountability for nutrition; • CD and training in harmonization of food consumption collection and dietary intake survey in Central and Eastern Europe. The recommendation # 58 of the ICN2 Framework for Action urge countries to improve and harmonize the monitoring and evaluation of nutrition data. Collection of the dietary intake data are essential for evidence-based policy making in the areas of leveraging the potential of nutrition-sensitive agriculture and food systems for healthy diets; • networking, establishing collaboration between sub-regional CD networks, such as the CD Network in Nutrition in Central and Eastern Europe/CAPNUTRA, Eurasian Network in Food Security and Nutrition/Eurasian Centre for Food Security and Nutrition and Partnership Platform in Nutrition in Central Asia and Caucasus – for sharing knowledge, CD on methodologies and planning joint activities(ICN2 FFA Recommendation # 6: Promote inter-country collaboration).
----	--	---	--

- Presentations:**
- Eleonora Dupouy, Mirjana Gurinović: *International engagement and opportunity frameworks for sustainable food systems for healthy diets -Introduction to the “Strengthening nutrition action: A resource guide for countries based on the policy recommendations of the ICN2”*
 - Pieter van’t Veer: *Public health and the food system: food choice and consumption as the linking pin*
 - Aniko Nemeth: *Achieving zero hunger by addressing the triple burden of malnutrition*
 - Amirhossein Yarparvar: *The child nutrition overview in Europe and Central Asia region and the linkages with Food systems*
 - Vesselka Duleva: *Healthy Nutrition for Children: The Healthy Future of Europe – the priority of Bulgarian presidency of the Council of European Union, main area for future activities in EU and the final Council Conclusion*
 - Carl Lachat: *Essential academic competencies and partnerships for Sustainable Food Systems for Healthy Diets*
 - Steen Stender: *Industrially produced trans-fats in popular foods: market basket investigations in Central Asian and in Central and South Eastern European countries. Time to protect the populations?*
 - Sofia Ioannidou: *Harmonization in food consumption data collection with EU Menu methodology across Central and South Eastern Europe- Experiences and perspectives*
 - Pieter van’t Veer: *How FNH-RI transforms the European food and health research domain?*
 - Paul M Finglas: *Food composition data bases in Europe and beyond as important research infrastructure in food and nutrition research*
 - Maria Glibetić: *Regional harmonization in food and nutrition data collection for evidence-based policy making in Serbia and Balkan region*
 - Agnes Kadvan: *Presentation of the Diet Assess & Plan (DAP) platform implementation in Balkan region in EFSA EU Menu dietary survey*
 - Country presentations: Mojca Korošec (Slovenia), Mirela Nedelescu (Romania), Dragana Jovic (Serbia), Indrė Stoškuvienė (Lithuania), Änn Jõgi (Estonia), Ewa Halicka (Poland), Ilva Lazda (Latvia), Igor Spiroski (FYR Macedonia), Lidia Cosciug, (Republic of Moldova), Zorica Đorđević (Montenegro), Aida Filipović - Hadžiomerađić, Dragana Stoisavljević, Katica Arar (Bosnia and Herzegovina), Viktoria Anna Kovacs (Hungary), Vesselka Duleva, (Bulgaria)

Trainings / courses with participation or organised by NCDN CEE /CAPNUTRA membes:			
No.	Date/ Location	Training / Course	Participants/Support
1.	16 - 28 October 2006, Bratislava, Slovakia	EuroFIR Course on Production of Food Composition Data in Nutrition	30 participants from 24 European countries (2 from CEE and from NCDNCEE non-EuroFIR countries with EuroFIR support)
2.	16 - 17 November 2006, Budapest, Hungary FAO-SEUR office	WHO New Growth standards and its use; Human Rights to Adequate Food; during the 2 nd UNU/SCN NCDNCEE meeting	18 participants from 9 CEE countries (support from UNU&FAOSEUR - 5 participants with EuroFIR support)
3.	5 June 2007, Belgrade, Serbia	EuroFIR workshop "Training and Capacity Building for non EuroFIR CEE Countries"	20 participants, 11 from CEE non-EuroFIR countries
4.	1-13 October 2007, Wageningen, The Netherlands	8th International Graduate Course on Production and Use of Food Composition Data in Nutrition	28 participants from 24 countries (14 from Europe including 2 from CEE countries)
5.	4-9 June 2007, Wageningen, The Netherlands	Nutrition and Lifestyle Epidemiology course	4 participants from NCDNCEE with Network support
6.	9-13 June 2008, Budva, Montenegro	2 nd EURRECA week	5 member countries from NCDNCEE participated with EURRECA support
7.	6-17 October 2008, Bratislava, Slovakia	EuroFIR Course on Production and Use of Food Composition Data in Nutrition	25 participants from 18 countries (14 from Europe including 3 from CEE countries, 2 from MENANA, 5 from non -EuroFIR CEE with MoU, 4 from other non -EuroFIR CEE countries)
8.	9-14 September 2008, Warsaw, Poland	EURRECA Course Evidence-based nutrition: From Requirements to Recommendations and Policies	29 participants; 4 participants from CEE with NCDNCEE support
9.	10-12 November 2008, Belgrade, Serbia	NCDNCEE and EURRECA training workshop on Grey literature, during the 4th Meeting of the UNU/SCN NCDNCEE	35 participants from 15 countries
10.	December 2008, FAO REU, Budapest, Hungary	Typo3 CMS consultations and training on NCDN CEE website development	1 NCDNCEE participant with FAO support
11.	7-8 May 2009 Ljubljana, Slovenia	Using of Gray literature in research, Training at University of Ljubljana, Faculty of Arts, Department of Library and Information Science and Book Studies	2 participants with NCDNCEE support
12.	11-24 October 2009, Wageningen, The Netherland	9th International Graduate Course on Production and Use of Food Composition Data in Nutrition	21 participants from 18 countries (10 from Europe including 2 from CEE)
13.	9-10 November 2009, Belgrade, Serbia	Languag training in Food composition creation	25 participants, 5 from CEE non - EuroFIR countries (supported from NCDNCEE, Estonia, Georgia, Hungary)
14.	11-12 November 2009, Belgrade, Serbia	CD workshop during the 5th Meeting of the UNU/SCN NCDNCEE	32 participants from 10 CEE countries (7 participants supported from EURRECA)
15.	9-11 March 2010, FAO REU, Budapest, Hungary	Regional Workshop on the "Development of Thematic Knowledge Networks	2 CEE participants with FAO support
16.	11 June 2010, Belgrade, Serbia	Regional Workshop for Food Composition Data Base Development	19 participants from 5 countries
17.	12-15 April 2011, FAO, REU, Budapest, Hungary	Regional Workshop on the "Development of Thematic Knowledge Networks	1 CEE participant with FAO support
18.	15-16 December 2011, FAO, REU, Budapest, Hungary	Planning session in preparation of the FAO Regional Conference for Europe and Central Asia, to be held in Baku, Azerbaijan, 16-20 April 2012	1 CEE participant with FAO support

19.	20-22 June 2011, Istanbul, Turkey	Regional policy consultation on high food prices in Europe and Central Asia Region	1 CEE participant with FAO support
20.	26 May 2011, Belgrade, Serbia	Workshop: Regional Food Composition Data Base: Web based Food Comp Data Management (FCDM) software application in BalkanFood Platform development	32 participants from 15 CEE countries
21.	7-17 October 2012, Gebze-Kocaeli, Turkey	EuroFIR Course on Production and Use of Food Composition Data in Nutrition	3 participants from 2 CEE countries with EuroFIR support
22.	4-6 December 2013 Budapest and Godollo, Hungary	"Workshop on Developing knowledge-sharing partnerships in Europe and Central Asia", jointly organized by FAO and GAK, Godollo University	1 CEE participant with FAO support
23.	16-17 April 2015, FAO Headquarters in Rome, Italy	FAO Consultation Workshop „Preparation of CD Modules on Nutrition and Food System” , FAO Headquarters in Rome 16-17 April 2015-	1 CEE participant with FAO support
24.	12-13 October 2016 Sapienza University of Rome, Italy	International Year of Pulses 2016 Regional Dialogue for Europe and Central Asia	2 CEE participant with FAO support
25.	22 - 23 November 2016, FAO Headquarters, Rome, Italy	International Year of Pulses (IYP) Global Dialogue (GD) under the title "Nutritious Seeds for a Sustainable Future"	1 CEE participant with FAO support
26.	11-12 September 2017, Belgrade, Serbia	CAPNUTRA Symposium-CD in dietary intake survey harmonisation with EU Menu methodology regional training for DIET ASSESS & PLAN (DAP) application and implementation in west Balkan countries (WBC) •Workshop on proper techniques on conducting face-to-face interviews according to survey plan; Workshop on using web platform – data entry; Workshop on FoodEx2 coding – adding new foods to FCDB	The training involved 23 participants from five countries, including Bosnia and Herzegovina, Montenegro , FYR Macedonia, Italy and Serbia.
27.	24 – 25 September 2017, Blagaj-Mostar, BiH	Practical training for dietary study in Bosnia and Herzegovina supported by European Food Safety Authority (EFSA) – Introduction to EU Menu methodology, presentation of questionnaires and Diet Assess & Plan nutritional software	The training involved 23 participants from Bosnia and Herzegovina and Serbia
28.	11-12 October 2017, Podgorica, Crna Gora	Practical training for national dietary study in Montenegro supported by European Food Safety Authority (EFSA) – Introduction to EU Menu methodology , presentation of questionnaires and Diet Assess & Plan nutritional software	The training involved 12 participants from Montenegro and Serbia
29.	18-26 October 2018, Belgrade, Serbia	Workshop on standardized methodologies for creating food composition data base	The training involved 16 participants from six countries, including Iran, Iraq, Kuwait, Pakistan, UK and Serbia

Dissemination: participation at national / regional / international conferences (oral presentations/posters)

No.	Name /Date/ Location	Author/Title of presentation
1.	33rd SCN meeting Joint meeting of SCN Working Groups on “Capacity Development” and “Nutrition, Ethics and Human Rights” (15 March 2006) 13 -17 March 2006, Geneva, Switzerland	<ul style="list-style-type: none"> • Mirjana Gurinović, Fre Pepping and Arne Oshaug: <i>CD in Nutrition in Central and Eastern Europe-Report from the inaugural meeting of the Network on CD in CEE countries</i> (oral presentation) • Mirjana Gurinović, Arne Oshaug: <i>Some challenges of raising the human rights to food and nutrition-related health in CD in CEE countries</i> (oral presentation)
2.	1st World Congress on Public Health Nutrition 28-30 September 2006, Barcelona, Spain	<ul style="list-style-type: none"> • Mirjana Gurinović, Maria Glibetic, Fre Pepping, Lajos Biro, Arne Oshaug: <i>Network for CD in Nutrition (NCDN) in CEE, Public Health Nutrition</i> ,Vol 9 ,7(A) , Abstracts of the I World Congress of Public Health Nutrition, Barcelona, Spain, 28-30 September 2006 ,162 (poster presentation) • Mirjana Gurinović, Cornelia Witthöft, Fre Pepping, Peter Holman, Lajos Biro, Paul Finglas. <i>Training and Capacity Building in Central and Eastern Europe Countries (CEE): A Partnership between European Food information Resource Network (EuroFIR) and Network for CD in Nutrition (NCDN)</i>, Public Health Nutrition ,Vol 9, 7(A), Abstracts of the I World Congress of Public Health Nutrition ,Barcelona, Spain, 28-30 September 2006 ,162 (poster presentation)
3.	2nd EuroFIR Network Meeting & Associated Workshops, Training/Exchange Opportunities for PhD’s 21st – September 2006, Nantes, France	<ul style="list-style-type: none"> • Mirjana Gurinović, Maria Glibetic: <i>Current initiatives and plans for possible areas for collaboration and training needs in CEE and non- EuroFIR countries</i> (oral presentation)
4.	EuroFIR Course on Production of Food Composition Data in Nutrition 16-28 October 2006, Bratislava, Slovak Republic	<ul style="list-style-type: none"> • Mirjana Gurinović: <i>Training initiatives in Central and Eastern Europe, an invited lecturer and a member of advisory board</i> (oral presentation)
